

Enrollment now open: Health Mart Federal COVID-19 Vaccination Program

Health Mart signed a federal agreement with the CDC to allow eligible Health Mart pharmacies to help administer the COVID-19 vaccine during Phase 2 under a federal partner allocation. Based on eligibility criteria, you're invited to request participation to enroll prior to Nov. 19, 2020.

Enrollment is now open in [myHealthMart](#). If you have multiple stores that are eligible, you will need to switch between stores and complete an enrollment form for each eligible store.

Don't wait until the deadline to start the enrollment process. You will need to prove you meet the eligibility criteria and submit required documentation prior to Nov. 19, 2020.
